

HomePod

Before using HomePod, review the *HomePod User Guide* at support.apple.com/guide/homepod. Retain documentation for future reference.

WARNING: Failure to follow these safety instructions could result in fire, electric shock, or other injury or damage to HomePod or other property. Read all safety information and operating instructions before using HomePod.

Important Safety Instructions

- Read these instructions. Keep these instructions. Heed all warnings. Follow all instructions.
- Do not use HomePod near water or where it might be exposed to dripping or splashing. Keep HomePod away from all sources of liquid, such as drinks, washbasins, bathtubs, shower stalls, swimming pools, spas, and so on. Do not place any object filled with liquid on top of it. Do not expose HomePod to moisture, dampness, or wet weather, such as rain, snow, or fog.
- Clean HomePod gently and only with a dry cloth.
- Do not block any ventilation openings on HomePod.
- Install and use in accordance with Apple's instructions.
- Unplug HomePod during lightning storms or when unused for long periods of time.
- Do not use HomePod near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat. Do not place a naked flame such as a lighted candle or lit cigarette on or near HomePod.
- Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where it exits from HomePod.
- Only use attachments/accessories and the power cord specified by Apple.
- Do not attempt to repair or service HomePod yourself. Refer all servicing to qualified service personnel. Servicing is required when HomePod has been damaged in any way, such as when the power cord or plug is damaged, liquid has been spilled or objects have fallen into HomePod, or when HomePod has been exposed to rain or moisture, does not operate normally, or has been dropped.
- During operation, speaker vibration could cause HomePod to move. Ensure that HomePod does not fall from its mounting surface. Do not hang the product by its power cord.
- HomePod has no on/off switch. Also, HomePod may appear to be off and disconnected from its power source when it is actually still connected and in standby. To disconnect it from power, unplug the power cord. Make sure the main plug of the power cord is always easily accessible. When connecting or disconnecting it, always hold the plug by its sides. Do not unplug by pulling the power cord. Keep fingers away from the metal part of the plug.
- HomePod is for indoor use only.
- HomePod may be damaged by improper storage or handling. Be careful not to drop it when it is being transported.

Medical Device Interference

HomePod contains magnets as well as components and radios that may interfere with medical devices. See "Support and safety" in the *HomePod User Guide*.

Avoid Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at apple.com/sound and in "Support and safety" in the *HomePod User Guide*.

Safety, Handling, and Regulatory

Additional safety, handling, and regulatory certification information can be found in the "Support and safety" section of the *HomePod User Guide*.

FCC and ISED Canada Compliance

This device complies with part 15 of the FCC Rules and ISED Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ENERGY STAR® Compliance

HomePod meets the ENERGY STAR guidelines for energy efficiency. Reducing energy consumption saves money and helps conserve valuable resources. For more information about ENERGY STAR, go to energystar.gov.

Disposal and Recycling Information

The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For information about Apple's recycling program, recycling collection points, restricted substances, and other environmental initiatives, visit apple.com/environment.

Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at apple.com/legal/warranty and support.apple.com, if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.
