Native Helpline

**Domestic and sexual violence are
not Native American traditions.**

StrongHearts Native Helpline offers confidential, anonymous free of charge culturally-appropriate services for American Indians and Alaska Natives impacted by domestic and/or sexual violence.

Domestic violence is when one partner uses various coercive methods—emotional, physical, cultural, financial, digital, or sexual—to dominate and control their intimate partner. Sexual violence, on the other hand, encompasses any sexual act lacking enthusiastic and mutual consent from all parties, regardless of their relationship status. It's essential to recognize that both forms of violence are always unacceptable.
